## 10 Contemporary embroidery artists - TextileArtist.org

Jun 05, 2014 · The word 'embroidery' comes with baggage; more often than not it evokes images of crocheted tea towels and twee cushion covers. But over the last few years, a new generation of textile and mixed media artists (of all ages I might add) have been using both machine and hand stitch to challenge these preconceptions; they often honour traditional techniques but use them in combination ...
